### **From the Lord:**

I've been here all along & I will carry you  
Wait & let me lead you  
Be strong & remember me  
The table's open  
Come out of the darkness & into the light  
You were made in my image  
Work with boldness & love  
Let me bring you into me  
You are free to be true & alive  
What you don't know is how much I love you  
Abide in me—rest in the arms of my love  
Have faith my child  
Dwell in my spirit  
Beloved  
I am your battle-ax in a war of troubles  
I take great delight in you  
Don't give up on Me, I won't give up on you  
Wait & let me lead you  
Trust  
You are born again  
I will help calm storms of the soul  
Stand firm  
Be still & know that I am God  
I want to teach you wisdom  
Be bold—ask for big, impossible things!  
I'm what you've been looking for  
Do not be anxious—be still & wait for the Lord

**To the Lord:**

Let Your light shine through us  
Let your love flow through us  
Forgive us in your open arms  
Your love has no end  
Hold me in your arms  
God, you pursue me with your love  
Consume us  
We are living in the shadow of your cross  
You are my GIANT killer  
You are the protector of my children  
You are like hot chocolate on a rainy day—God gets in my system & fills me  
with joy  
Contentment comes from you
